Instructions

Sign in and out at the gate
(all persons of a vehicle).

Maximum speed: **10km/h**

Pay attention to **plant traffic**. It **always takes precedence**. Look out for forklifts or loaders.

For Truckdrivers:
No reversing without guide

The use of mobile phones is only allowed in
designated areas and never allowed while
driving or walking.

Always use the personal entrances to our
buildings. Keep **3m** safety distance to vehicles.

Never leave the group or stray from a
designated route.

Do not touch any aluminium or crucible, it
could be hot. Please keep a **5m** distance
from any liquid metal.

In case of emergency please make your
way to one of the **designated assembly
areas** and await further instructions.

First aid station: Every event and accident
must be reported to the Speira contact person.

Gate: +49 7153 61032-22
Internal: 0-112

Safety Instructions for Visitors Deizisau

Dear visitor,

it is vitally important to us that you leave our site as safe and healthy as you entered it. As this sites falls under the EU Directive on Major Industrial Accidents we kindly ask you to read the following safety rules and comply with them.

Thank you for your support!

Have a safe day!

River Neckar
