Instructions

Sign in and out at the gate
(all persons of a vehicle).

Maximum speed: **10km/h**

Pay attention to **plant traffic**. It **always takes precedence**. Look out for forklifts or loaders.

For Truckdrivers:
No reversing without guide

The use of mobile phones is only allowed in
designated areas and never allowed while
driving or walking.

Always use the personal entrances to our
buildings. Keep **3m** safety distance to vehicles.

Never leave the group or stray from a
designated route.

Do not touch any aluminium or crucible, it
could be hot. Please keep a **5m** distance
from any liquid metal.

In case of emergency please make your
way to one of the **designated assembly
areas** and await further instructions.

First aid station: Every event and accident
must be reported to the Speira contact person.
